## Cloverfield Wall Light By Currey and Company

### Description

Bring a bit of good luck to a space with the Cloverfield Wall Light, which has a flowing design inspired by the shamrock. Made of wrought iron, the whimsical gold pendant is pretty in a mix of contemporary gold leaf and contemporary gold finishes. Bringing nature indoors without sacrificing sophistication is one of the benefits of choosing a light fixture that has an elemental theme but has an elegance to its form.

Shown in contemporary gold leaf / eggshell
