Anton Table Lamp

By Currey & Company

Description

The Anton Table Lamp is made of lustrous optic crystal contrasted by metal accents in an antique brass finish. This includes the round base that beautifully supports a hexagonal swell and a thin ring of metal that cinches the geometric accent at the bottom of a thin stem, which narrows as it reaches the knife-pleated shade. A brilliant optic crystal finial attaches it to the clear lamp. 3-way turn knob.

Shown in brass / clear / white

Specifications
