Cactus Table Lamp

By Currey and Company

Description

The Cactus Table Lamp has a slender oblong shape, making it great for spots where a lamp needs to sit closer to the wall. Made of composite to resemble concrete, it is slathered in varying shades of green for a verdigris ombre effect that looks aged. Because of this hand-applied treatment, the artisanal fixture will vary slightly from lamp to lamp. 3-way turn knob.

Shown in green / natural
