Mabrouka Table Lamp

By Currey & Company

Description

Nothing says texture in a space better than woven natural materials. The Mabrouka Table Lamp brings it in spades. Made of rattan, the triple-gourd shape of the lamp's body and the dark brown finish that adds warmth to the natural material enliven the personality of the brown lamp. The hardware and finial in an antique brass finish read as perfectly in-sync with the color of the wicker weave. 3-way turn knob.
