Aquaviva Table Lamp

By Currey and Company

Description

Made of a lively color of turquoise glass, the Aquaviva Table Lamp has a long columnar shape with a perfectly placed bulge as it approaches the optic crystal base on which it stands. The brightness of the base and the matching finial is echoed in the polished nickel finish on the hardware. The elongated shape of the shade is a nice design detail, as its scale is in sync with the height of the body of the blue lamp. 3-way turn knob.

Shown in blue / white
