## Edgemoor Table Lamp

By Currey and Company

### Description

The undulating pattern on the pear-shaped body of the Edgemoor Table Lamp is reminiscent of macram. Made of ceramic covered in a mix of beige and dark brown glazes, the peaks on the lamp stand out because they've been rubbed to show the deeper tones underneath. The hardware on this beige lamp is in a light antique brass finish, as is the finial. 1-way turn knob.

Shown in beige / off white
