Anjou Table Lamp By Currey & Company

Description

The Anjou Table Lamp is a glamorous creation made of ceramic with a rich green glazing that has been artfully applied to flow seamlessly down from the striations that are carved into the top section of the pear-shaped lamp. The optic crystal base and finial are luminous accents, and the satin brass finish on the hardware is warm in tone, as is the linen natural shade that tops the green lamp. 3-way turn knob.
