Vivid Table Lamp

By Currey & Company

Description

The Vivid Table Lamp lives up to its name with its swirling swaths of bright colors painted on its lozenge-shaped body. The multi-colored lamp glows even before it is fitted with an optic crystal base and finial, and polished nickel hardware. A polished design detail is how the shade is elongated in the same scale as the body and has rounded corners. The narrowness makes the lamp perfect for a spot where a fixture needs to sit close to the wall to free up tabletop space. 3-way turn knob.
