Radiant Table Lamp

By Currey and Company

Description

The Radiant Table Lamp has a sophisticated profile made of a glamorous mix of materials. The tall rectangular body, which is made of white marble, has a circular cut-out into which a bubbled optic-crystal orb is fastened. The rods that affix the globe and disappear under the shade are seamless in size and match the antique brass finish on the minimal base. The rectangular shade is perfectly scaled to the shape of the body of the white lamp. 3-way socket switch.

Shown in white / natural
