## Daphne Table Lamp

By Currey and Company

### Description

The Daphne Table Lamp looks as if it is made of one material in two distinctive finishes but the base is made of wood while the other elements on the table lamp are made of iron and brass. The shape of the oval shade with its painted gold trim is a design detail, as is the gold finish on the interior of the shade that will warm the light bouncing off it.

Shown in navy blue / gold / navy
