Salacia Table Lamp

By Currey and Company

Description

The Salacia Table Lamp has a stacked-globe body that drips with a mix of dark and bright blue glazes flowing down each striated orb in varying degrees of brightness. The painstaking attention to detail that is required to create such a varied but balanced glazing is achieved by a talented group of women artisans who live at the border of Burma and Thailand. The trim on the shade brings this navy blue lamp an uptick in sophistication. 3-way turn knob.
