Gerri Dot Table Lamp

By Currey & Company

Description

A shimmering composition, the Gerri Dot Table Lamp has a body covered in tiny circlets of mother of pearl. The bottle shape with its curving shoulders is surprisingly thin, as is the oblong shade. The slimness makes this white lamp a terrific choice for tabletops or chests where space is limited because it will sit close to the wall. Adding to the luminosity of the creation are the acrylic base and finial. 3-way turn knob.
