## Melanie Bar/ Counter Stool

By Currey and Company

### Description

The Melanie Bar/ Counter Stool is made of ash wood in a blonde ash-wood finish; the slanting legs and the stepped details where the upholstery meets the wood on the seat are reminiscent of Greek stylistic leanings. These aspects of the stool bring it added personality. The seat, and the front and back of the seatback are covered in a Liller Tortoise performance fabric that has a textural feel.

Shown in blonde ash wood / liller tortoise
