Martini Floor Lamp

By Currey and Company

Description

The Martini Floor Table Lamp features a design inspired by a martini glass, with a stretched shape forming a narrower silhouette. The same approach was taken with the black marble base. The result is a chic gold and black floor lamp with a blend of appealing attributes, including the brushed brass finish on the metal and the off-white shantung shade that works in concert with the metal to lighten the composition. On/off foot switch.
