Triptych Floor Lamp

By Currey and Company

Description

The three stems of the Triptych Floor Lamp that flow up from the satin black base are covered in natural rattan until they disappear under the black fabric shades. There are a number of special attributes to this design: the combination of black and neutral tones, and the cascading effect of the three shades as their supports grow shorter. These design details make the rope-wrapped floor lamp a stylish choice for a room. A foot switch enhances easy off and on maneuvering even if the floor lamp is tucked behind a piece of furniture.
