Apricity Ceiling Light

By Currey & Company

Description

Inspired by a piece of jewelry, the Apricity Ceiling Light features a frosted white cast-glass globe fitted to a travertine disc by metal hardware in an antique brass finish, reminiscent of a large pearl with its beautiful sheen. The simplicity of the profile leaves the glowing orb as the focal point of this design, while the way the illumination strikes the natural stone adds a clever aspect. The warmth of the metal draws out the subtle deeper tones in the travertine.
