Mantra Ceiling Light

By Currey & Company

Description

The Mantra Ceiling Light is an elegant example of mid-century modern luxe. The gold leaf finish on the long tentacles of metal that dangle from its two tiers bring the fixture a powerful punch of patina. This is due to the distressing the finish artisans achieved with the gold leaf treatment on the chandelier. A shrewd design detail is how the rods of metal are affixed with small hooks, each of which has to be hand-welded to the circular frames of the gold semi-flush.
