Midsummer Chandelier

By Currey & Company

Description

The Midsummer Chandelier is an artful adaptation of nature's beauty. The frame of the graceful gold chandelier is covered in a contemporary gold leaf finish that enlivens the green recycled glass petals on the blossoms. The oblong pieces of glass are surrounded by wire that is bent to mimic their shapes, also in a contemporary gold finish. The overall effect the layering provides brings the floral motifs a fluttering feel.

Shown in contemporary gold & silver leaf / green
