Diego Chandelier

By Currey & Company

Description

The Diego Chandelier is a magical teardrop-shaped fixture made from wrought iron in a white gesso finish. This graceful chandelier was designed by Marjorie Skouras to continue her celebration of the Yucatan Peninsula that she calls home. The Calla Lily, which flourishes in her surroundings, inspired this white chandelier, which joins a number of her offerings that celebrate the flora and fauna around her studio.

Shown in gesso white
