Storrs Chandelier

By Currey & Company

Description

The Storrs Chandelier is a looping creation with 14 lights that will wow from a design perspective and for how much illumination it provides. Made of wrought iron in a contemporary gold leaf finish, the swirling frame is so perfectly curved, the milky glass globes perch atop the curlicues in a balanced and playful pattern. This artisanal gold chandelier with its '20s Milano feel has an interesting shape-shifting vibe when viewed from different perspectives.
