Wycombe Pendant

By Currey and Company

Description

In the Bunny Williams Collection, the Wycombe Lantern has the classic lines for which this lauded designer is known. Made of wrought iron, the refined lantern is finished in a mix of satin black and contemporary gold leaf finishes. Because the interior of the black lantern is covered with gold leaf, the illumination coming from it will warmly glow. The grillework that runs along its circumference where it meets the domed top is an elegant feature.
