## Pennyworth Chandelier

By Currey and Company

### Description

Continuing the exploration of natural materials, the Pennyworth Chandelier features shades made of grasscloth on a silver chandelier. The shades form cones that connect as they narrow and mirror each other. The wrought iron frame, finished in contemporary silver leaf, contrasts and forms a warm/cool interplay with the design. Completing the composition is a chain in a contemporary silver finish.

Shown in contemporary silver leaf / natural
