Tamago Pendant

By Currey and Company

Description

New in our Hiroshi Koshitaka Collection, the Tamago Pendant has a fluted edge that beautifully mimics the shape of a broken eggshell, making the designer's name for the fixture, that of a Japanese omelet, spot-on. Made of wrought iron in a mix of contemporary gold and smoky olive finishes, the dome-shaped pendant emits a warm light given the luminous gold finish is on the inside. With this newest fixture, Koshitaka continues to explore themes of sustenance and rejuvenation.

Shown in smokey olive / contemporary gold leaf
