Pleiades Chandelier

By Currey & Company

Description

When envisioning the Pleiades Chandelier, the goal was to create drama with cylindrical pieces of seeded crystal fitted into a generously scaled silver leaf wrought iron ring. The open design of the ring is essential to bring an uptick in the sensational illumination because it is fitted with an integrated LED strip, the light from which effervesces when it strikes the bubbles in the more than 100 crystal rods.

Shown in contemporary silver leaf / clear
