Iconoclast Chandelier

By Currey & Company

Description

The Iconoclast Chandelier is a sparkling beauty with natural rock crystal affixed to a sturdy wrought iron frame in a contemporary silver leaf finish. Designed with attention to detail, the white wall sconce features rock crystals attached with very thin wire, creating visual interest without interfering with the luminosity of the stones. The pieces of pale material filter the light in the same way ice might, enhancing the beauty of this fixture.
