Empyrean Chandelier

By Currey & Company

Description

Playing with geometrical shapes that create tiers of up-light, the Empyrean Chandelier was designed with clean lines, making it as contemporary as designs come. The fluted shape of the middle shade is a design detail that brings added interest to the profile of this white chandelier. The wrought iron fixture is covered in a yeso blanco finish that creates a stippled effect to add a subtle tone-on-tone texture to the piece.
