## Magnum Opus Ceiling Light By Currey and Company

## Description

Undertaking the challenge of creating a clean-lined version of a vintage design, the Magnum Opus Ceiling Light features rows of more than 300 glass leaves attached to the metal stems that effervesce when light strikes them to create a stunning sculptural fixture. The white glass also beautifully contrasts the metal in a brass finish, the cool/warm contrast bringing the gold semiflush a heightened level of interest. The beautiful white glass leaves also surround the bulbs on this fixture to infuse a space with a lovely glow.

Shown in brass / white
