Snowflower Ceiling Light

By Currey & Company

Description

The big, beautiful blossoms of the Snowflower Ceiling Light and the frame they flow from are made of wrought iron in a gesso white finish. Nodding toward the ceiling, the slightly folding petals direct the light upward. The crisp color of the finish will enhance the coolness of the illumination to create more brightness. The white semi-flush with its wild botanical personality will reflect any number of design styles with grace.

Shown in gesso white
