Rochefort Outdoor Pendant

By Currey & Company

Description

The Rochefort Pendant is an outdoor pendant with beautiful lines that subtly draw themselves into a lantern-like form. The black powder-coated finish makes it durable for exterior environments and contrasts the milky white glass globe it balances in its center. Whereas traditional lanterns may be limited to time-honored and transitional design aesthetics, the delicacy of this black lantern's profile makes it fitting for mid-century modern homes and those that lean contemporary.
