## Empyrean Ceiling Light

By Currey & Company

### Description

Playing with a geometrical shape that creates up-light, the Empyrean Ceiling Light was designed with clean lines, making it as contemporary as designs come. The cone shape of the bottom feature is a design detail that brings added interest to the profile of this white flush mount. The wrought iron fixture is covered in a yeso blanco finish to add a subtle texture to the decidedly modern flush mount.

Shown in white
