Carta Outdoor Wall Sconce

By Eurofase

Description

The Carta Outdoor Wall Sconce combines the soft, diffused feel of a white frosted panel with crisp architectural lines to create a clean, modern look. Its simple aesthetic is suitable for a variety of contemporary residential exteriors as well as interiors. The base features powder coated aluminum construction, ensuring durability in outdoor conditions. The diffuser panel is made of white glass for the 12 inch and 17.75 inch high sconces, and white acrylic for the 22 inch sconce.
