## Albany 8-Light Convertible Chandelier By Eurofase

## Description

The Albany 8-Light Convertible Chandelier blends vintage and modern elements in its soft industrial design. It is also versatile and can be installed as a chandelier or semi flush ceiling mount. LED cylinder lights are nestled in simple candleholders accented with contrasting metallic collars, creating a sophisticated look that elevates your foyer, living room, or dining area. Emitting light through both the upper white acrylic shades as well as downward, this fixture offers plenty of diffused illumination to fill your space.
