Kagra Pendant Chandelier

By Eurofase

Description

Elephant grass is a tufted perennial with long slender leaves that sway in the sub-Saharan breeze. Bring this relaxing piece of nature into your home with the Kagra Pendant Chandelier, which mimics the curved leaves of the plant. A bamboo-like rod adds further exotic character. Light shines downward and peeks through the leaves, creating a welcoming environment in your living room, dining area, or entry.

Shown in brass
