## Traiton 3-Tier Grand Chandelier

By Eurofase

### Description

The Traiton 3-Tier Grand Chandelier draws inspiration from fashionable couture jewelry crafted out of Czech glass beads, a style that blossomed in the mid-1500s. This radiant chandelier pays homage to the artistry with its intricate design of metal rods embellished with glass bubbles of varying sizes and textures. For a cohesive look, consider using clear globe bulbs (not included). Balancing classic and modern aesthetics, the Traiton enhances your space like a well-chosen piece of jewelry.
