Matera Multi-Light Pendant

By Eurofase

Description

The Matera Multi-Light Pendant draws inspiration from the beautiful Neapolitan Cyclamen flowers that bloom in the cliffside town of Matera, Italy. The budding flowers and stems are depicted by the cascade of glass lights and branched metal arms. Downlights embedded in the canopy provide additional ambient illumination. The Matera elevates your space with its refined, artistic touch of nature and welcoming array of light. Note: The 15- and 25-light pendants require a junction box rated for fixtures weighing over 50 lb.

Shown in gold / white

Specifications
