Cerissa Rectangular Color Select LED Mirror

By Eurofase

DAMP

Description

The elegant Cerissa Rectangular LED Mirror features a unique acrylic cut crystal trim on its inner frame that acts as a diffuser while bringing glamour to your space. Light is directed inward rather than directly out, reducing glare. Sleek touch buttons on the front let you control light on/off, dimming, color temperature, and defogging. The mirror also has a memory function, where it returns to the last light settings when turned off and on using a wall switch. This stylish, functional mirror is perfect for bathrooms, bedrooms, dressing rooms, and entryways.

Shown in gold / clear
