Eris Color Select LED Mirror

By Eurofase

DAMP

Description

Combining high quality and reliability with a sleek modern aesthetic, the Eris LED Mirror is the perfect addition to your bathroom or entryway. Integrated LEDs emit light through white acrylic diffusers, providing a soft even glow. Touch buttons offer easy operation for light on/off, stepless dimming, color temperature adjustment, and the defogger. The mirror also has memory, returning to the last light settings used when turned off and on using a wall switch.
