Odessa Rectangular Color Select LED Mirror

By Eurofase

DAMP

Description

The Odessa Rectangular Color Select LED Mirror emits bright lighting from all around its border using edge-lit technology. Control is at your fingertips with the easy-to-use touch sensors on the front which let you control light on/off, dimming, color temperature, and defogging. The mirror also has a memory function, returning to the last light settings when turned off and on using a wall switch.

Shown in clear / frosted
