Sayora Color Select LED Mirror

By Eurofase

DAMP

Description

The Sayora LED Mirror is a mirror and shelf in one. Three sides are lit with integrated LEDs shining through white acrylic diffusers, providing even illumination for your daily grooming. The bottom has a shelf for placing bathroom necessities or decor, helping you save countertop space. The Sayora also boasts built-in dimming, color temperature adjustment, and a defogger, all easily controlled through sleek touch buttons. A memory feature sets the mirror to the last light settings used when turned back on using a wall switch.
