Bloom Chandelier

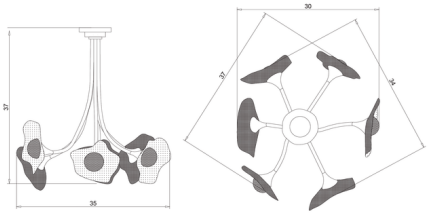

By Kalin Asenov

Description

The Bloom Chandelier offers an elegant aesthetic inspired by the delicate natural form of flowers. The chandelier's machined brass stems are juxtaposed with organic handblown glass shades for a striking contrast, and the ends of the stems are hand-formed to evoke the look of actual flowers. Each Bloom Chandelier is handmade, resulting in unique variations that make each a one-of-a-kind work of art. Overall dimensions may vary by 1 to 3 inches.
