Bloom Plug-In Wall Sconce

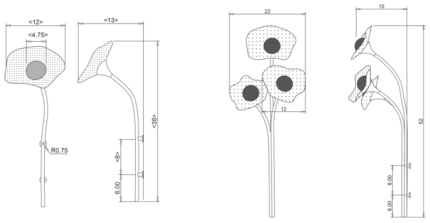

By Kalin Asenov

Description

The Bloom Plug-In Wall Sconce offers an elegant aesthetic inspired by the delicate natural form of flowers. The sconce's machined brass stem is juxtaposed with organic handblown glass shades for a striking contrast, and the ends of the stems are hand-formed to evoke the look of actual flowers. Each Bloom Sconce is handmade, resulting in unique variations that make each a one-of-a-kind work of art. Overall dimensions may vary by 1 to 3 inches. Floor dimmer switch located on cord.
