Aura Wall Sconce

By Kalin Asenov

Description

The Aura Wall Sconce produces an enchanting glow thanks to its half-frosted glass globe diffuser set within a blush-tinted glass disk. The sconce directs light outward as well as casting light back against the wall. As each sconce is crafted from handblown glass, slight variations in size may occur. The disk width is approximately between 14 and 16 inches.

Shown in brass / blush
