Adorne Metal 1-Gang Plus Size Wall Plate

By Legrand Adorne

Description

The Adorne 1-Gang Plus Size Metal Screwless Wall Plate is available in a variety of metal finishes crafted with real cast metal, providing the perfect finishing touch to any installation. Innovative screw-less design ensures easy installation by simply snapping into existing metal frame. Perfectly sized to fit any combination of up to one Plus Size, one standard, and one half-size, and up to three half-sized adorne switches outlets or dimmers (dimmers not available in size). You cannot combine the softTap switch, Touch switch, Wave switch, SensaSwitches, all dimmers, GFCI outlet, portable nightlight/flashlight with half-size devices to fit in a 1-gang plus wall plate. Includes wall plate and steel frame for mounting the wall plate. Designed to be paired with Adorne switches, dimmers and outlets, sold separately.

Shown in copper metallic
