## CM1 Outdoor Monopoint Fixed Ceiling Light By Lucifer Lighting

### Description

The CM1 Fixed Monopoint Ceiling Light for wet locations offers excellent performance in a sleek, streamlined package. No tilt. Mounts to standard 4 inch junction box in remodel applications with surface canopy, or in new construction with 2.5 inch canopy and universal junction box mounting plate which attaches to standard junction box before ceiling substrate is installed. Integral driver dimmable with ELV / Triac dimmer. Includes soft focus lens. Note: Warm Dim color temperature available in 40 degree beam angle option only.

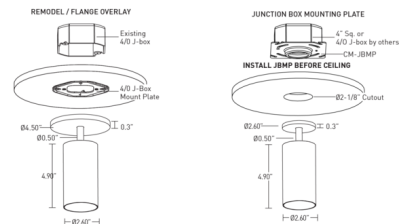

Shown in black / black baffle
