Ambrosia Linear Suspension with Remote Power

By Marset

Description

The Ambrosia Linear Suspension with Remote Power is a contemporary re-imagining of classic Linestra-style linear lamps that showcases how a function-forward, technical design can also offer a poetic decorative expression. At the center of the design is a tubular methacrylate diffuser, which is lit from within by integrated LEDs to produce gentle illumination suitable for a wide variety of applications. Ambrosia's sleek metal frame gracefully curves upward into the downstem which supports the pendant from the ceiling. This version of the Ambrosia Linear Suspension includes a remote power supply. Wire can be fed through to the ceiling to the power supply through the cover plate at the end of the suspension's extension rod.

Specifications

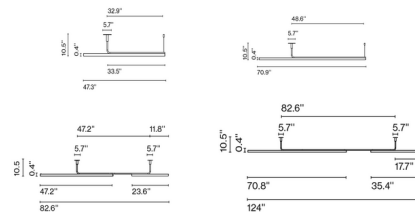

COLOR N/A
BODY FINISH Black
WATTAGE 19.2W
DIMMER 0-10V
DIMENSIONS 47.3"L x 0.4"W x 26.2"H
