Mantle Dual Mount Pendant

By Quorum

Description

The Mantle Dual Mount Pendant features a cage housing the candelabra sockets. The Mantle series is a slightly bloated pentagonal prism, which gives it the classic shape of a house. Inside the cage, the lights are fitted with simple bobeches sit on curved rods that connect to a straight downstem. The light emitted is soft and warm, creating a cozy and inviting atmosphere. Can be used as a pendant or semi-flush ceiling light.
