Harpe Multi-Light Pendant

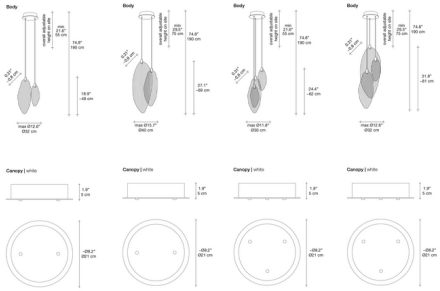

By Terzani USA

Description

The Harpe Multi Light Pendant was inspired by the days designer Christian Lava spent watching clouds and looking for shapes in their forms. On days where a thick blanket of clouds covered the sky, sunlight would poke through in long rays reminiscent of a harp's strings. Harpe evokes this memory with irregular, organic frames accented by vertical rods that create a striped pattern of shadows.Cable Colors:Matte Pearl - Grey Fabric CordMatte Black Nickel - Grey Fabric CordMatte Red Gold - Champagne Fabric Cord
