## Hilton Head Pendant By Varaluz

## Description

The Hilton Head Pendant is inspired by a cultural legend dating back to 2,500 - 3,000 BCE during a torrential downpour, where a graceful goddess descended from the skies wearing a giant conical hat to shield the people from a flood of rain. The hat has inspired Varaluz to adapt this look to grace the ceilings of today's homes. Hilton Head features a French Gold hand-painted, multilayered finish and hand-woven, natural, sealed seagrass.

Shown in french gold / natural
