Patchwork Wall Sconce

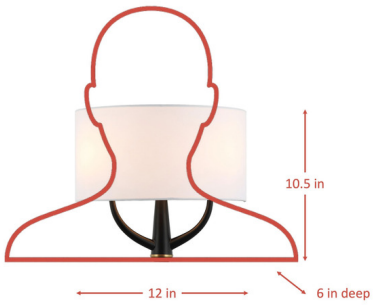

By Varaluz

Description

In 1856, pioneering British architect and designer, Owen Jones, literally wrote the book on design in the machine age, The Grammar of Ornament. The Patchwork Wall Sconce is inspired by Jones's seminal work which was lavishly illustrated in vivid chromolithographic color. Patchwork elevates the Greek decorative patterns and color tones featured in his design treatise, to create a cleaner, modern sensibility for the 21st century. Features hand-painted matte black and brass plated accents.
