Cityscape Ceiling Semi Flush Light

By Visual Comfort Modern

Description

The Cityscape Ceiling Light brings a bold geometric starburst design to your interior space. Straight rods of varying lengths shine with LED strips, creating warm ambient shadows of light across your room. The shades can be rotated to create a lighting experience unique to your space. Dimmable with Triac (Standard), Low Voltage Electronic, or 0-10V dimmers, not included. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
